# FROM CARNIVAL FUN-DAY EVENTS TO CORPORATE EVENTS JOHN EVANS IS THE RIGHT CHOICE

**When you have decided to have John as your arena entertainment for your carnival, why not have that extra publicity and have John balance a local product, sponsored by a local business and auctioned off for Charity after John as balanced it on his head.**

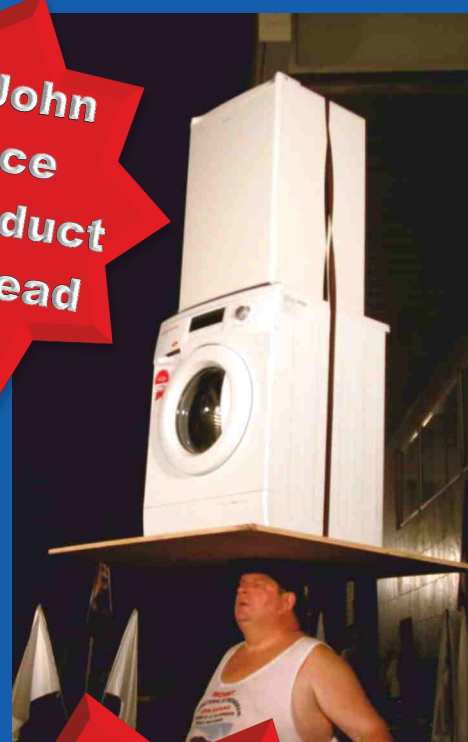

**Get your product noticed**

**When booking a main show for only an £100.00 per item plus the item would be given for event raffle! The item would need to be no more than 100kg including a board that it would need to be placed on for John to balance it.**

**Items could be: a washing machine, a small settee and two chairs, a welsh dresser, table and 4 chairs, office furniture... the list is endless.**

**Have John balance your product on his head**

**TV advertisers - why spend a fortune on preparing an advert for TV to get people to hope to watch when John can do the real thing and balance your product on his head. John has 90 established world records to his name and travelled the world performing on top TV shows. for idea's just take a look at**

**[www.headbalancer.com](http://www.headbalancer.com)**

**Have John come to your furniture shop and balance your products - great for media attention. Also ideal when your local pub is putting on a BBQ for outdoor entertainment.**

**Use John's unique talent for your advertising.**

**How many boxes of crisps could John Balance? Email your best idea's for John to balance [strongman@btconnect.com](mailto:strongman@btconnect.com)**
